

## Lance Dooley - Sculptural Services

Lance Dooley provides a variety of services and products centered around sculptural work. Having lived in Italy and studied at the world renowned Florence Academy of Art for three years, Lance can provide you with the highest quality of figurative and portrait sculpture to be incorporated into the following settings or needs:

- Building Projects (public or private)
- Churches or places of Religious gathering
- Aesthetic Enhancement of Courtyards
- Entrance Way to Buildings
- Rooftops
- Parks
- Water Fountains
- Archways & Bridges
- University or College Campuses
- Cemetery Markers with Realistic Image of Person
- Corporate Identity
- Commemoration or Dedicatory Sculptures

*Sculptures can be done in any size to scale to your needs.*

Contact Lance for information and quotes on the integration of sculptural work into your projects and needs.

Lance's studio is located in Seattle, Washington USA and can provide world wide shipping and on-site discussions or evaluations for your project.
